# CDC Employee Health Assessment (CAPTURE™)

National Center for Chronic Disease Prevention and Health Promotion Division of Population Health

# CDC National Healthy Worksite Program (NHWP) Employee Health Assessment (CAPTURE<sup>™</sup>)

#### Introduction

This survey asks about your current health status, health behaviors, readiness to change your health behaviors, your needs and interests related to worksite health and safety, and questions about how your health may impact your work.

**NOTE:** Below is informed consent language and survey instructions that you can adapt for use in your own workplace health programs. This information is intended to be a reference and offers suggested wording similar to that found in CDC consent forms included those in the National Healthy Worksite Program.

#### **Informed Consent**

Before you get started, we need to give you some more information to help you decide whether or not you would like to participate.

- Your participation in this survey is voluntary. In the course of this survey, you may refuse to answer specific questions. You may also choose to end the survey at any time.
- The survey is designed to take about 30 minutes.
- There are no right or wrong answers or ideas—we want to hear about YOUR experiences and opinions.
- All of the comments you provide will be maintained in a secure manner. We will not disclose your responses or anything about you unless we are compelled by law. Your responses will be combined with other information we receive and reported in the aggregate as feedback from the group.
- Your name will not be linked to any responses you provide in this survey.
- There are no personal risks or personal benefits to you for participating in this survey.

When you have completed this survey, please seal it in the envelope provided, and place it in one of the collection boxes located throughout your work site by [INSERT DATE], or give it to [INSERT WORKSITE PROGRAM MANAGER].

If you have any questions, please feel free to contact [INSERT WORKSITE PROGRAM MANAGER]. [HIS/HER] number is [INSERT TEL #].

The Employee Health Assessment (CAPTURE) tool has modified Question #43 from the Brown University Rapid Eating and Activity Assessment for Patients (REAP) tool and received permission to use it in the CDC National Healthy Worksite Program (NHWP).

Permission to use, copy, and distribute the REAP and REAP provider key for an educational purpose (other than its incorporation into a commercial product) is hereby granted without fee, provided that the below copyright notice appear in all copies and that both that copyright notice and this permission notice appear in the materials, and that the name of Brown University not be used in advertising or publicity pertaining to distribution of the materials without specific, written prior permission. Any adaptation or modification of the REAP tools must receive prior approval from Brown University.
